Article 12.8 of the Understanding on Rules and Procedures Governing the Settlement of Disputes (DSU) provides that the period in which a panel shall conduct its examination, from the date that the composition and terms of reference of the panel have been agreed upon until the date the final report is issued to the parties to the dispute, shall, as a general rule, not exceed six months.

Article 12.9 of the DSU provides that, when a panel considers that it cannot issue its report within six months, it shall inform the Dispute Settlement Body (DSB) in writing accordingly and indicate the reasons, together with an estimate of the period within which it will issue its report.

The Panel on *European Union – Anti-Dumping Measures on Biodiesel from Indonesia* (WT/DS480) was established by the DSB on 31 August 2015 and composed on 4 November 2015.

The beginning of the Panel's work was delayed as a result of the lack of available experienced lawyers in the Secretariat. The Panel expects to issue its final report to the parties by mid-2017.
